Subject: FLSA Webinar on Paid Family Members and Natural Supports

Hi Everyone,

Based on your feedback, the NRCPDS will continue to offer webinars to help stakeholders understand and comply with the Fair Labor Standards Act (FLSA) Home Care Rule.

Our next webinar, *Understanding FLSA Compliance for Paid Family Members and Natural Supports*, is scheduled for Wednesday February 24th from 3:30-4:30 PM (EST). This webinar will explore the US Department of Labor's guidance on compliance with the FLSA when an individual receiving services has paid family members and/or natural supports. Special focus will be given on the Department's guidance regarding when plans of care that include natural supports would be considered "reasonable" under the FLSA. Time for Q&A will be included.

Because this webinar is an unfunded NRCPDS activity, we are charging a nominal fee to cover the webinar costs. Single user registration is \$40 and group registration (with unlimited participants from a single organization) is \$250. NRCPDS FMS and Program Members can attend the webinar free of charge.

Please click [here](#) and select "Webinar" to register. After you submit your payment, we will send you a confirmation email with the log-in information.

If you are a NRCPDS member, please email membership@participantdirection.org to register rather than using the link above.

Please don't hesitate to email us if you have any questions. We're looking forward to talking with you on the 24th.

Sincerely,

Your team at the National Resource Center for Participant-Directed Services
(NRCPDS).
