Subject: Follow Up Re: SC Delegation to India

Attachments: General Schedule.docx

Ajay,

As requested, I've attached our schedule with the delegates listed. The representatives we were discussing are Duane Parrish (Director of the SC Parks, Recreation, and Tourism Department) and Hugh Weathers (Commissioner of Agriculture for the SC Department of Agriculture).

Also as discussed, Governor Haley's office is working with the Consul General in Atlanta, Mr. Ajit Kumar, to obtain meetings with the Chief Ministers in Punjab and Chennai. I have copied Katherine Veldran on this email, who works for Governor Haley and is liaising with Mr. Kumar and myself to arrange these meetings. Please discuss this with the Consul General and determine the best way to proceed – we would appreciate your input and assistance in making these meetings a reality for the Governor!

Lastly, if there are any companies you feel that it would be beneficial for us to meet with during our time in India, Ford and I will be traveling there in September. Although we are on a very tight schedule, we would welcome an opportunity to meet with a company where you think it would be valuable prior to the November trip.

I look forward to your input on the Tourism and Agriculture meetings, and I know that Katherine and I look forward to working with you and Consul General Kumar in setting up the meetings with the Chief Ministers.

Thank you again for your offer to assist us with this mission, and don't hesitate to contact me with any questions.

Best regards,
Morgan
