Subject: FW: Joint Letter from Departments of Labor and Health and Human Services on Summer Youth Employment

Attachments: [Color Final Signed Revised.pdf](#)

Ted and Christian. Please see the attached letter on summer youth employment. This appears to be a good effort that several cabinet agencies could work together on. I have already reached out to Lillian and will forward this to Mike Johnson as well as the local WIBS. It would be nice if the Governor could announce a summer youth employment program. It sounds like TANF money can be used and we could kick in some contingency money.
