Good afternoon,

Please see the following note from Chad Walldorf, as well as the attachments. If there you have additional information that you'd like to include on the contact list, please send me updates and I will redistribute a completed/updated list shortly.

Thank you,

Kristi

I wanted to make sure that you'd seen the attached announcement and thank you for your willingness to serve South Carolina.

The next three and a half months will go by quickly so I know we need to get together sooner rather than later. However, I'm assuming this week isn't enough notice and my availability isn't good next week so I'm hoping that we can get together for an organizational meeting in Columbia the week of March 12th. I'm sure we'll end up with a support person at the Board or in the Governor's office but for right now I'd ask that you forward your availability for that week to sarah@stickyfingers.com. I know that you're all busy folks so promise to be very cognizant of your time.

I'm hoping to talk with each of you before then about specific areas of interest and thoughts on our task so will be calling this week or next. Additionally, please feel free to call or email me with any thoughts in the interim.

I think that we've been blessed with a real opportunity here to improve the way our state government works and I look forward to working with each of you on this task.

Cordially,

Chad
