

"Today, as we gather with our family and friends to honor Christ, we can experience the same peace and joy as the shepherds and the Magi did almost two thousand years ago. If we make that peace and joy a part of our lives, our example will serve as a guide and an inspiration for everyone we meet."

Merry Christmas

*May this Christmas
be a very happy one for
you and your family.*

*May God continue to
lead and help you as you lead
our state.*

*Smile and have a beautiful
Christmas.
God's blessing,
Kenneth Brook*
