Yes and I've already reviewed it with Elizabeth. We ask for a few pieces of the language to be cleaned up from the first draft and they agreed. Last week Elizabeth received the final version from DMH which included our changes. Elizabeth originally brought it to me back in June and we did our end within the week that she brought it to me, she was waiting on DMH.

Do you approve this MOU? Is it between LGOA and DMH and AA?

FYI – This report is submitted by the Alzheimer's Association each year to the Governor, Senate Finance and House Ways & Means committee. This reports specifically on the Alzheimer's Respite Funds that are provided in the DMH budget. The LGOA and Alzheimer's Association maintain a MOU for the administration of the funds. I am responsible for providing the stats for the report each year. Therefore, I wanted each of you to be aware of it in case you are asked about it.

If you have any questions please to not hesitate to contact me.

Elizabeth,

Please see the attached FY 16-17 Annual Report. This is the same report that is sent to the Governor, Senate Finance and House Ways & Means committee. I truly appreciate you, the LGOA and AAA/ADRC for our partnership. Please don't hesitate to let me know if you have any questions.

P.s. I am waiting on the signed DMH contract to come back from Mental Health & my signed MOA from my legal team. I will send those over shortly.

Sam
