Dear Governor, my name is Bobby Cranor and I am hoping you can help to make sure justice is served. My daughter is 14 years old and had sex with a 20 year old man. Charges have been filed and he has been arrested, but I want to make sure he is brought to justice. I found out that he has done this before and I don't want this to happen to someone else. It was unprotected and we are waiting for the test to come back for diseases and will have to check again because it can take up to 6 months to show up on the test, this happened last Monday. Pregnancy test came back negative but again just last Monday. He is well aware of her age. I'm not sure if you can help but I thought I would give it a try. Huge supporter of yours and very happy with the job you have done with our state. Please keep doing what you are. You can always expect my vote. Sorry this is my first contact to you but I feel so damn helpless. Thank you.

Bobby
