Take Back the Net – Stay Steps Ahead of Cyber Criminals!

<http://hughesbusiness.hughes.com/rs/hughesnet2/images/franchise2-divider.jpg>

Dear Nikki,

On February 13, 2015, President Obama acknowledged that “America's economic prosperity, national security, and our individual liberties **depend on our commitment to securing cyberspace** and maintaining an open, interoperable, secure, and reliable Internet.”

Is your agency struggling to keep pace with cyber criminals? Then look no further than HughesON™ Managed Security <http://pages.myhughessolutions.com/wMkAF1uVj000092W00Z0d0v>, a robust network service that **protects your network, your data, and your agency.**

With HughesOn, you can take back the net, by enjoying high capacity with uncompromising security. From **securing your transactions**, to delivering PCI **wireless intrusion detection and prevention**, to providing **highly secure remote access**, HughesOn Managed Security is a fully-managed solution for advanced threat protection.

Protect Your Agency and Fight Increasingly Sophisticated Cyber Criminals

- PCI-compliant network architecture

- Security infrastructure over the entire network
- PCI wireless intrusion detection and prevention
- Secure remote access through Virtual Private Network and two-factor authorization
- Monitoring and support
- Centralized control of your agency, even as it evolves

Put our security experts to work for your agency.

Delivering Advanced Threat Protection. . .
