Do you think this meeting request should be handled by Director Alford?

**Senator Shane Martin,**

**I hope this e-mail finds you doing well. I'm writing today to request a sit down meeting with Gov. Haley before she leaves and goes to her new appointment in Washington. I would like to request that not only myself be included in this meeting, I would like 3 more mothers or fathers that have to fight the system, Clerk of Court, Hope Blackley to represent Spartanburg County and**

maybe 2 more Clerk of Court who will also benefit from the Child Support Computer System state wide. I would even welcome Senator Shealy and others from the Oversight Committee. This is a very important issue to me and to others throughout the state of South Carolina.

I figured that now the elections are over with and committees have been picked this is now a good time to hope back on this issue. I know that you are doing everything you can on your end, but if at all possible I would really like to have this meeting scheduled. Thank you in advance and Merry Christmas.
