Danny,

I have talked to Gerry about doing site visit next week. I do not see any issues with this application. We will complete the process ASAP.

Danny,

This is Rita....tried to call you but did not connect. Please send your cell phone when you have time. The Middle Tyger Community Center has been given a match on funds and grants that they raise for the Senior Center. A great opportunity by Jimmy and Marsha Gibbs in Spartanburg. If we could at least get a conformation on our grant, that too, would count toward the match. I know you want to make a site visit and we want you too.....however, time is of essence to us on the matching money. Anything you could do to help us? Thanks, Rita

Anytime tomorrow after 2 by phone, or I'll be in Columbia by Noon on Tuesday. Senator Talley also has brought this to my attention, and that center will hear soon about a site visit. I'll get an update next week.
