Dear Chaney,

This is the questionnaire we at The Times of India have prepared for Nikki Haley. It will be really great if she can reply back to it.

This interview is really very important and at the same time big for us.

Looking forward to a positive response.

Q What do you to say about Donald Trump's Taiwan call? What will be the impact of American allies?

Q What is going to be America's policy on multinationalism?

Q Can you tell us how will America's global diplomacy will be now?

Q Tell us with Donald Trump becoming the president of US, will it affect the funding of the US programme?

Q Is America planning to do away with Iran's deal?

Q You have been appointed as UN ambassador, what are some of the challenges you foresee?

Q There were some protest after US president-elect Donald Trump won the elections. What are your comments on that?

Q Do you feel that Donald Trump will take some of the hard steps he said during his election campaigns?

Q Why do you think so Trump has given preference to Indian-Americans in his team?

Q How will America's relations be with Cuba and Russia now?

Q How do you rate Narendra Modi's relation will be with Donald Trump?

Q Do you plan to visit India soon? How do you connect with India?

Thanks and regards,

Rohit,

Doug left our office about two years ago.

Unfortunately, the governor does not have availability for an interview at this time. However, if you would like to send over questions I would be happy to take a look.

Thank you,

Chaney Adams  
Press Secretary  
Office of Governor Nikki Haley
