CHAIRMAN, HOUSE WAYS AND MEANS  
COMMITTEE

June 25, 2013

The Honorable Nikki R. Haley  
Governor  
First Floor, State House  
Columbia, SC 29201

Dear Governor Haley,

There is a need for maintenance to be performed on a boiler that controls the heating and humidity in the State House. The work will cost approximately \$60,000 and is a part of the planned maintenance for the State House this coming fiscal year.

There is a line in the proposed budget for the fiscal year 2013-14 that allocates \$60,000 to the Budget and Control Board for State House dehumidification and heating. The Budget and Control Board, Division of General Services, will be able to perform the maintenance on the boiler using existing funds and, therefore, does not need the additional funding allocated in the budget for this task.

Please let me know if you have any questions or need additional information.

Sincerely

Marcia Adams  
Executive Director
