Good Morning,

Please find the attached proposals for review and consideration. Below is a brief description of the changes from the documents circulated at the 9/15 meeting.

- Parameter Metric Evaluation Proposal
  - Proposed governance committee oversight of the parameter metric
  - Table 1 recommends the allowable variance over the duration of the PFS project from the agreed upon 65% LIZC enrollment target
- Pilot Period Proposal
  - Recommends a enrollment target and budget for the pilot period
  - Clarifies a) the pilot will be incorporated into the PFS contract and thus subject to the 7-year contract period and b) sources of funding for the pilot

Looking forward to discussing and making decisions.

Best,  
Nirav
