Mary,

Thank you for your offer. The strategic plan is being facilitated by USC and includes the Lt. Governor and senior staff. If the decision is made to consult outside partners, I will let you know.

Tony

Hi Tony, I hope things are quiet and you are enjoying the summer.

I read with pleasure the Lt. Governor's decision to run for office and his plans for a strategic plan for the Office on Aging-I would very much like to be a part of the process and am volunteering to serve on a committee or advisory board or help in some way. I think my experience here at the Lourie Center would give me some insight into the challenges of our aging population that would be helpful to this planning process. I have been very impressed with Lt. Governor McConnell and feel confident that he will be able to develop an adequate plan, please let me know how I can help.

Sincerely,  
Mary
