Good afternoon,

Attached is a letter to Governor ----Haley from Secretary Vilsack declaring counties in South Carolina as natural disaster areas.

Other attachments include: (1) a list of all disaster designated counties, primary and contiguous; (2) a map of declared counties.

Also, today the Department of Agriculture has announced primary agricultural disaster designations for counties in North Carolina. Under this disaster designation, contiguous counties in your State (SC) are also available for benefits. The list of counties is in the attached letter sent to the State of North Carolina.

The latest list of counties, map and information on USDA's disaster assistance program can be found at <http://disaster.fsa.usda.gov>.

If you have any questions or concerns feel free to contact Sarah or me in USDA's Office of External and Intergovernmental Affairs at (202) 720-6643.

Regards,
