Subject: SNAP Program Security In Greenville, Spartanburg

Hi Chaney,

I hope you are well today. We are working on a story about SNAP benefits that are available this week for disaster relief victims from Greenville and Spartanburg counties. You can see the link below for details of the events.

However, we understand from the officials on scene at the Spartanburg location that the Governor's Office is responsible for the security and law enforcement presence at each location. We have spotted officers/deputies from at least eight different agencies and I was wondering if you can tell me how many officers you may have at each location and what agencies are involved?

Thank you for any help you can give me on the matter.

Sincerely,
Rob Landreth
