Hello my name is Bobbie Mitchell and i am a 39 year old single mom with 2 small kids. One who is disable. I have worked my whole life since i was 15. I have always provided for my family by working a full time job. In the past 17 years i have only had 3 different employers. I have paid my taxes and felt proud to do so. I lost my job Oct. 20 while out on medical leave. I was denied my unemployment, been waiting to get approve for SNAP and FI benifits til i find another job that will at least pay my rent. I feel let down by my goverment that its hard to get help feeding my babies and feeling like me and them may be homeless because we the people who actual work all there lived to support not only there famil but people who abuse the goverment funds because there to lazy to work. I am writing because this is my last option for help. I have been so worried i have thought about giving my kids away. Please help us. It should be easy to help a single mother who does not abuse the systembut works and just need help for now. I am crying out and praying my letter will end up in the right hands.

Thank u so much for reading this. God Bless
