**Good Afternoon, I know in the past yall have had the option of hourly/half day rentals for portrait sessions. I have a client looking for an interior space and wanted to see if y'all offer any rental packages like that and if so what the price is so I can present it to my client. Thank you. (Also if there is an email that is better for me to use for contact I can so that as well, thanks again.)**

Good Afternoon,

I know in the past yall have had the option of hourly/half day rentals for portrait sessions. I have a client looking for an interior space and wanted to see if y'all offer any rental packages like that and if so what the price is so I can present it to my client.

Thank you.

(Also if there is an email that is better for me to use for contact I can so that as well, thanks again.)
