So sorry to bother you with this. I do not see the new template in my inbox. Who is the best person to contact or should I email Finance Help?

Thank you!

Stephanie,

You should have received a new template for reimbursement. The carryforwards have been added to your NGA. Bill June under III12.

If you still have a problem ket me know. I am out of the office this week but will check e-mails.

Tony

Good Morning Tony!

I was wondering if you can assist me in getting Trident Area Agency on Aging reimbursements for June.

Our office has emailed Finance Help twice last week and has not received a response.

Also, for the new fiscal year, we have not received the New Payment Request form per Tommy's cover letter with the NGA.

Anything you can do to assist us would be greatly appreciated. I'm not sure if you need further information from us or if the request has gotten lost in the shuffle!

Thanks,

Stephanie
