Who is guilty? The Gun is Guilty? Mass-Murderers Justified: Florida 17 Killed. When political leaders, media and educators shower all their attention on the gun used by the bloody murderer; the murderer becomes someone to be consoled, a misunderstood troubled victim; and the gun becomes the dangerous aggressor. When the innocent are killed, justice is demanded; and anger displayed against the murderer is called for; not anger against the weapon used, stupid. This national display of hate for the weapon instead of the killer is folly: And, a source of Encouragement, Inspiration and Reassurance to the - Next Potential Mass-Murderer. The Gun is Guilty? Human Nature: Mass-murderers do not want to be hated. Realizing now that - they can kill - and not be hated; and the gun will be heated instead; feeds their bloody madness. Referring to mental illness as the problem, is a trap. Political devils will ultimately call those who believe God and do not approve of, same sex marriage, mentally ill; and in need of re-education.
