So is this being built into a previously scheduled event?

Hi Rob and Chaney,

Would you be interested in doing a severe weather/flood safety preps joint media avail at the State EOC for the afternoon of Monday, March 7? We could get the Team SC agencies together for a joint briefing about the importance to being prepared for emergencies and how we need people to heed emergency warnings. We could invite the usual suspects: DPS, DOT, NWS, DHEC, DNR, NG, etc...

We have a nuclear exercise taking place that morning which should be over by that afternoon. Anything you would like to do would be welcome, hope to talk to you soon! -Derrec
