**Subject:** Cruise Deals Up To 80% Off Plus New Itineraries from the World's Top Cruise Lines

---

Dear Mr. Kester,

Today, I'm pleased to present these **money-saving offers from Princess, Holland America, Seabourn and Paul Gauguin Cruises**. They include shipboard credits, which are as good as cash on the ship and can be used toward onboard purchases not covered in the cruise fare, like bar purchases and spa treatments.

**Princess** is offering our customers big discounts -- save up to 78% -- plus enjoy exclusive shipboard credits of up to \$285 per cabin on sailings in a variety of regions. Past guests may see better rates on select departures. [Click here](#) for dates and prices.

**Holland America** is offering Vacations To Go customers markdowns of up to 80%, plus a 50% reduced deposit and exclusive shipboard credits of up to \$900 per cabin. Book a suite and you'll also receive 100 minutes of free Internet and a beverage card valued at \$100 per cabin. This offer applies to select sailings. Past guests may see better rates on select sailings. [Click here](#) for dates and prices.

**Seabourn** is offering our customers savings of up to 85% -- take advantage of discounts in the Mediterranean, Northern Europe, the Caribbean and more. In addition, certain voyages qualify for shipboard credits of up to \$750 per cabin. The upfront price of a Seabourn vacation includes open bars throughout the ship, fine wines at lunch and dinner and gratuities. [Click here](#) for dates and prices.

**Paul Gauguin** is offering Vacations To Go customers greatly reduced rates, with savings of up to 76%, plus exclusive shipboard credits of up to \$800 per cabin on all other sailings. In addition, the third passenger in the cabin cruises for free on select sailings (port fees and taxes are additional). [Click here](#) for dates and prices.

As always, these offers are for new bookings only and subject to availability. Restrictions may apply.

**Most of the world's top cruise lines have released their itineraries for spring 2016 and beyond.** I've listed them, by cruise line and sailing region, below.

While the best markdowns in the cruise industry occur within three months of the departure date, and right up until the day of departure (click our world-famous [90-Day Ticker](#) to view those great deals), there are a few situations where I recommend booking your cruise more than 90 days in advance.

If you are committed to a specific itinerary and departure date -- especially if it's a unique, one-of-a-kind itinerary -- it's best to book early to secure your spot.

If you have your heart set on a specific type of cabin -- for example, a midship balcony suite that provides breathtaking views of the Inside Passage during an Alaskan cruise -- you'll want to book sooner rather than later. The best cabins typically sell out first.

Families that need staterooms that accommodate more than four people, or two adjacent staterooms with a private connecting door, should book early, especially for peak family travel times such as spring break, summer and the winter holidays. Such staterooms are few in number and will be filled far in advance of departure.

And speaking of families, most of the large family groups we book prefer to dine together at the early dinner seating in the ship's main restaurant. If you book early, there's a better chance of getting everyone into that

same dinnertime slot.
