**Subject:** FW: Capitol Complex Security System Reminder

---

All,

Please see below regarding the new Capitol Complex Security that will go into effect on Monday.

Thanks,  
Katherine

**Subject:** Capitol Complex Security System Reminder

**Don't forget to bring your newly issued ID card and vehicle placard on Monday, July 1, when the new Capitol Complex security system will go into effect.**

It is important to keep the following points in mind:

1. You will need either your parking placard or newly issued Proxy ID card each day to enter the garage.
2. It is essential you maintain a speed of **10 mph or less** when approaching the garage.
3. Your placard should be hung from the rearview mirror with the State Seal facing outward.
4. If the automated reader does not detect your placard, scan your Proxy ID card at the entrance gate.
5. You will need your Proxy ID card to access the garage from buildings located on the Capitol Complex.
6. Speed humps are being installed at the entrances to the garage to help ensure that the 10 mph or less speed is maintained.

For additional information and a FAQ sheet on accessing the parking facility and surrounding areas, please visit the Division of General Services website at <http://www.gs.sc.gov/business/parking/BO-parking-cc-security.phtm>

Should you have any questions regarding the new procedures, please contact Parking Services by calling (803) 734-1638.
