Good morning - we finished our Ultimate Outsider at Hunting Island August 25th. We got our t-shirts in the mail, but we didn't receive the window decal that my friend had received when she finished her UO. Also, here's a photo of us with Ranger Tori - Pam and Scott Poelker, Summerville SC

I am wondering about the 2020 Ultimate Outsider challenge. I am an Ultimate Outsider and haven't received information on this year's challenge. Also, is there a website or FB page especially for Ultimate Outsiders?
