Hi Sidney,

The Governor has been granted VVIP status at the embassy. Your vehicle motorcade may drive onto the compound without screening. We can discuss further on Wednesday.

Thanks,

Bill

Bill;
Will we plan for the Governor & Mr. Haley to go through any security screening on this visit with the Ambassador?

We can shift to Wednesday if you would prefer. Just let me know definitely on Monday if you don't mind. My flight leaves at 330PM your time.

Although we DO want to spend some time with you and Pawan, I don't think it is necessary for him to join us on the reconnaissance stuff. He is welcome to but it up to him. I have been to all of the locations already.

Attaching the draft schedule. The only thing that is locked in are the appointments related to the hotel.

Still no word from the Front Office, they may not get back to me today..... Do you want to go ahead and schedule a time block for us on Wednesday?

Also, if you'd like the FSNI to accompany you on your site visits, we can likely make that happen as well. If you have a schedule in place, feel free to invite him along. Pawan's working hours are 0830-1730 Monday-Friday. Anything outside of those hours is OT that will have to come from your fund cite. I should have a cost estimate to you shortly, our folks are working it out based off of your latest schedule.

Thanks,

Bill

Hey Ford,

I'm waiting to hear back from the Amb's office if they can accommodate a walkthrough for us on Wednesday. If they say yes, I propose we have lunch at the American club and then visit her residence. If they say no, we will come to you guys at the Taj. Either way, the FSNI will accompany us.

I'll let ya know as soon as I hear,

Bill

Hi Ford, I'm very jealous that you are in Munich right now.

Wednesday lunch would work better for us if that's alright with you. I will have the FSNI attend as well. I will work with Tyrena to set up a walk-through of the ambassador's residence and try to make that coincide with our lunch. We will be able to find some time for you guys to get eyes on the venue prior to the governor's arrival.

Thanks,

Bill

Bill,

Greetings from Munich.

Would you have time on Tuesday for lunch or dinner or Wednesday for lunch with Sydney, Jeremy and me? Our treat.
Perhaps we could have the FSNI join us as well?

We plan to do a walk through/stop by of all of the locations the Governor will be visiting in Delhi. Would also like to take a quick view of the Ambassador's Residence if that is even remotely possible.

Good morning Jack and Sidney,

When possible could you please let me know what flights you will be arriving/departing India on for each member of the security detail? Also need flight information on in country travel if anyone will be on separate flights from the governor. We need to include the

protection details travel arrangements in our diplomatic note to the Indian government.

Thank you,

Bill

Morning all,

Ira – thanks for the info, as you requested, we will provide FSNI support for the Delhi

portions only. Please coordinate any specific security requirements for Chennai and Mumbai with the agents at the Consulates.

When possible please send me your radio model and the frequency you will be operating on. We also need to include the security team members full name, date/place of birth and passport numbers.

Please let me know if you have any questions or if I can help out in any way.

Take care,

Bill

Hello Bill;

Lieutenant Jack Proffitt & I wanted to get the following information to you as promptly as possible: when our first family departs out of New Dehli on the 13th we will not need assistance while in Chandigarh. According to our staff, the Punji government will provide law enforcement assistance.

However, it is of utmost importance to us that you have all the specifics on our movements up to your agent rejoining us upon arrival back in New Delhi on Nov. 16.

We look forward to more specific correspondence.

Thank You,
Sidney Rainwater
