Subject: Lt. Governor Op-ed - Defunding Planned Parenthood

Hi Cindi,

I hope you are doing well. I wanted to reach out to you on behalf of the Lieutenant Governor concerning an op-ed he is currently working on. Following up from his press conference this week on defunding Planned Parenthood and other abortion providers, he is writing a piece on the mechanics of exactly how that could be done in South Carolina. This is a hot topic right now with both the governor and the lieutenant governor moving forward, and we would like to give the op-ed exclusively to The State. Would this be something you would be interested in printing? If so, we could have it ready by the end of next week.

Thank you so much for your consideration!
Tori Beth
