Ted, Katherine:

I received this email yesterday from a constituent. Is there any followup with TransUnion about their service? Let me know if you have anything specific I can share with her. Phyllis

Dear Rep. Henderson,

Thanks for all these updates.

Any advice on how to get through by telephone to TransUnion? I have tried asking them to institute a security freeze on mine and my husband's SS# online with no luck and can't get through to anyone on their phone number. I'm reluctant to send a letter with our names and SS# asking them to institute the freeze.

Equifax and Experion were a breeze.

Thank you,

Jane Burke

SC Hacking Update - More FAQ's

Here's the latest information on protecting yourself as a result of the hacking of personal information from the S.C. Department of Revenue computers. The Governor's staff has just prepared another round of FAQ's submitted by legislators and citizens. A review of these items will help insure your information is as safe as possible. Questions are categorized:

- Social Security Numbers
- Coverage
- Out-of-State/Out-of-Country
- Non Profits/Churches

- Other
- Business Questions

SOCIAL SECURITY NUMBERS (SSN)

Q: Why do South Carolina taxpayers have to give Experian® their Social Security Numbers during the enrollment process?

A: In order to protect the identities of those who may have been compromised in the breach, multiple authentication points are required during enrollment, including requiring one's complete SSN.

Q: What assurance do South Carolina taxpayers have that their Social Security Number is protected with Experian®?

A: Experian® has a legal obligation to protect social security numbers, and also offers its customers many assurances regarding security, [Read More](#)

Q: Will hackers be able to redirect Social Security checks since they have Social Security Numbers and bank routing/account information?

A: The answer depends on whether the information compromised was enough to circumvent the authentication processes of your bank and the Social Security Administration. Taxpayers should consult with their banks. Any information on tax returns could have been compromised.

Q: Why weren't South Carolina Social Security Numbers and credit card numbers stored in an encrypted format?

A: The vast majority of credit card numbers were stored and protected with strong encryption. SCDOR is moving rapidly toward encryption of SSNs, which should be completed in approximately 60 to 90 days.

Q: Will SCDOR call or email me and ask for my personal information? If we receive an email or call like this, what should we do?

A: SCDOR would not initiate contact with a taxpayer and ask for personal information. If you do receive this type of call or email, hang up the call or don't respond to the email. If you are suspicious of any such email or phone call, please contact SCDOR at (803) 898-5000.

COVERAGE

Q: Can a taxpayer without a credit history sign up for ProtectMyID®?

A: Experian's National Consumer Assistance Center will attempt to assist consumers that do not have a credit file. This can be coordinated by calling 1-866-578-5422.

Q: When does the Experian® coverage begin and end both for an individual and for Family Secure™?

A: Taxpayers can register for a one-year membership of Experian's ProtectMyID® and Family Secure™ products beginning on the date that they register with each product. The last date to register is January 31, 2013.

Q: What happens after the state-provided one-year membership with ProtectMyID® and Family Secure™ expires?

A: When the one-year membership expires, South Carolina taxpayers will, at their own expense, have the opportunity to enroll in the retail offerings of ProtectMyID® and/or Family Secure™.

Q: If I see anything I consider potentially fraudulent on my credit report, who should I call?

A: If you have reviewed your credit report and believe that certain information may be the result of fraud, you're ProtectMyID® membership gives you access to a fraud resolution specialist who will assist you. Please call 1-866-578-5422 and they will assign you a fraud resolution specialist.

Q: When will Experian® alert me if there is any fraudulent activity on our credit report, banking, or debit card information?

A: ProtectMyID® alerts are issued when a credit report reflects new activity - for example, the addition of a new credit card or personal loan or a lender's review of the report as part of the process to approve a loan application. It is the responsibility of the individual who receives the alert to determine if the new information is accurate and reflects recent financial activity known to the individual or if it is unknown and possibly fraudulent.

OUT-OF-STATE / OUT-OF-COUNTRY

Q: What if I no longer live in the U.S. but have filed taxes sometime between 1998 to the present?

A: A U.S. address must be provided when enrolling. If you are an expat or otherwise living abroad, you should provide the U.S. address you utilized to obtain credit within the U.S., as address-matching is one of the pieces of data used by Experian® for credit file authentication. We recommend out-of-country South Carolina taxpayers impacted by the breach sign up using their last U.S. mailing address and, if issues arise, they should speak to an Experian® customer care representative.

Q: When will people be notified who no longer live in the U.S.?

A: They will be notified, along with residents of other states who are South Carolina taxpayers, over the next month.

NON-PROFITS / CHURCHES

Q: Are non-profits included in the "businesses" that were possible victims of the security breach?

A: Yes, non-profits may have been exposed.

Q: Are church EIN numbers being compromised, because they appear on the 941 and W-2 forms issued?

A: Church EIN numbers could have been compromised from W-2 forms. Form 941 would be filed with the federal government.

Q: Should churches enroll for identity theft protection as "businesses"?

A: Churches should enroll for the identity protection. Form 941 would be filed with the federal government. However, W-2 filings or individuals filing personal returns with attached W-2s may cause churches to be included with the possibly affected "businesses".

OTHER

Q: If taxpayers had their tax returns directly deposited into their bank account (and therefore their bank account numbers and routing numbers were written on their return forms), were the bank account and routing numbers also exposed to the hackers?

A: Any information contained on a tax return may have been compromised.

Q: Can someone without an email address sign up online for the protection service?

A: An email address is required to register online; however, ProtectMyID® is also available by calling 1-866-578-5422.

Q: Where are the Experian® Call Centers located?

A: Experian® call centers are located in Arkansas and Texas.

Q: Will Experian® ever ask me for my credit card number?

A: Not for enrollment in the State's free one-year membership. Once those memberships expire, a credit card will be required to renew at the individual's expense.

Q: Why can't the State register me?

A: To enroll South Carolina taxpayers for the fraud protection services offered, without their knowledge or consent, would be a violation of federal law. In addition, registration would require answering personal questions that SCDOR would not have information to answer.
