Re: Eagle Scout Recognition

Dear Governor Haley:

On November 8, 2016, a Board of Review convened to consider the application of Boy Scout James Calvin Dodd and voted to recommend him for the rank of Eagle Scout. As Calvin's parent, I am writing to request your help in recognizing his achievement. Calvin completed his Eagle Scout Project this past summer at Westminster Park, constructing and installing 6 new benches along the river bank trail and creating a new trail at the eastern-most point along the edge of the river and Westminster property. This new access point has been an additional resource for emergency personnel trying to access the river to assist Catawba River rafters in need of help.

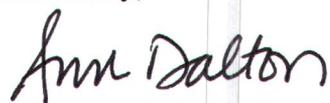

In a few weeks Boy Scout Troop 925 will conduct a Court of Honor on Calvin's behalf, and any congratulatory letters or other forms of recognition will be presented to him at that time. The recognition that an Eagle Scout receives at his Court of Honor is one of the great experiences of his life. Please help us recognize:

James Calvin Dodd, Eagle Scout  
Troop 925  
St. John's United Methodist Church  
Palmetto Council

You may send your recognition to:  
Eagle Scout James Calvin Dodd  
164 Old Forge Rd.  
Rock Hill, SC 29732

Thank you for your consideration.

Sincerely,

Ann Yarborough Dalton
