So for the Aiken Standard you will need to use "robertsj" as the user ID and the password will still be Lgo2017.

Let me know if you still have problems accessing it.

Thanks!

I have called the Aiken standard again today and finally got a name of someone to speak with. I have left him two messages today and also emailed him directly. I have not heard back from him but I am going to continue to get the issue resolved.

Again, I apologize for it taking so long to gain access to the E-edition of the Aiken Standard.
