Danny,

I talked to Lily and she is going to help schedule their tour. I have let him know that the Lieutenant Governor is not scheduled to be in Columbia that day, but if that changes we would try to schedule a quick meet and greet and photo. I have also given him the phone number for the Governor's office if he would like to pursue scheduling a photo with him.

Good Morning,

The email below is from a Professor that teaches Criminal Justice at Newberry College, that I met at my apartment complex this summer. The Criminal Justice program is new at Newberry College and part of the reason they are taking this field trip is to add some photos promoting the program. When we met he was having difficulty setting up a tour with the tour office here. I told him that we could help with that, but that meeting the Lieutenant Governor would be dependent on whether he was in Columbia or not that day. From looking at the schedule it looks like the Lt. Gov will not be in Columbia that day. I hoping since Lily is more familiar with the tour office that she might be able to help with scheduling the tour for them.

Hello Catherine,

I certainly hope you remember talking with me this past Summer at the pool concerning my bringing Newberry College students to the South Carolina State House for a tour and hopefully an opportunity to meet the South Carolina Governor and/or the Lieutenant Governor and possibly get a group picture.

The date we plan on doing the field trip is tentatively going to be scheduled on *October 16, 2017 between the hours of 12pm-4pm*. I do not know if that is an accommodating date/time but I certainly hope so. Please get back to me at your earliest convenience and let me know if this request is possible.

Thank you again for all your help

Respectfully,

Dr. Patrick Beatty
