Dear Chaney,

I am writing to ask for your assistance in organizing an interview with Gov. Nikki Haley.

I represent Russian news agency Interfax in the US, one of the biggest private owned media outlet in Russia.

My questions would concern the variety of international policy issues. If she agrees to give me the interview I would send the list of my questions in advance. I can also consider the written form.

This interview would be distributed via Interfax global newswire both in Russian and English, published in full on the website and in one of the Russian leading daily newspaper (usually I cooperate with Kommersant).

I am covering the international politics for more than 14 years and work in the US since 2014. My work as a US correspondent for Interfax produced several noticeable exclusive interviews with US hi-ranking diplomats, as well as campaign advisors for Hillary Clinton and Donald Trump.

I am attaching my BIO and Interfax intro. Looking forward to hearing from you!

All the best,

Ksenia Baygarova,  
US Correspondent,
