Subject: Lt. Governor Bryant's Visit to Bob Jones University

Mr. Varat,

I am the President of the Public Policy Organization at Bob Jones University. I just wanted to reach out regarding Mr. Bryant's request to address the Public Policy Organization.

Date/Time : I looked at our calendar, and it looks like Monday, October 23 would be best for us. I assume start time would be 6 or 6:30pm.

Format: We can do any format the Lt. Governor would like. He could address the crowd for 30 minutes or so then take Q&A, he could be more conversational and have a Q&A throughout his address, or any other format you would like.

Media: This could also be an official campaign stop or not, depending on what you wish. If official, we would write a press release and get members of the media to attend and we could set up a time for interviews (if interested).

Crowd size : I would be inviting students, faculty, members of the community, Chairman of the Greenville GOP, and our Greenville delegation. I would estimate we could get between 100-125. With the event being on October 23, we could possibly get more as we have more time to push the event on our end.

I look forward to working with you as we plan this event!

Best,
Zach
