I am signing because he is going to do this again to someone else. He is a violent offender. This incident happened when he was out on bond for murder.

im signing because this happens too often and people just get a slap on the wrist. This is why there are so many murders now.

This is a heinous crime and there is no excuse for this crime to be excused under CDV....that should be a separate charge. Since when is "knowing" your attacker a crime? And since it clearly has been stated that the attacker was her "ex-boyfriend," and they no longer co-habitated, why is CDV the charge anyways?
