I'm here. Rebecca should be in around noon. I am looking at old exec orders - the hearing officers were named by exec orders. Not fining a general notice but don't see why we can't. That keeps gov from make by a ruling without further evidence

We can do that. And use the exec order to appoint hearing officer

What do y'all think about issuing this via executive order instead of letter since we are now officially exercising her authority under 1-3-240(A)(3)?
