Dear Nikki,

We really hope you will choose to [support the Elton John AIDS Foundation's lifesaving work this holiday season](#). Donations from friends like you make it possible for us to empower communities impacted most by HIV/AIDS.

Thanks to you, we're able to lift the voices of transgender people facing discrimination. Thanks to you, we're able to increase access to HIV prevention and healthcare for countless people in this country and around the world. Thanks to you, we're able to challenge unjust laws in states like North Carolina, and change attitudes about the importance of providing clean injection equipment to people struggling with drug addiction in places like Indiana that are experiencing a resurgence in heroin addiction.

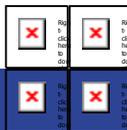

Together, we've done a lot – but we can do so much more. Together, we can end AIDS, once and for all.

[Donate today and our generous friends Andy Knight and Beau Gratzner will match up to \\$75,000 in donations.](#)

Wishing you a wonderful holiday season,

David Furnish  
Chairman
