ON BACKGROUND:

A group of pastors visited the governor's office and asked her to participate in the Response. Given that faith has always been a source of strength for the governor and her entire family, she was happy to participate - and invite South Carolinians of all backgrounds and faiths to join her.

The following letter was provided to the Response and posted on its website: <http://theresponsesc.com/wp-content/uploads/2014/11/Gov-Nikki-Haley-Letter.pdf>

The governor recorded the following video: <https://vimeo.com/124243222>

Additionally, the governor participates in events where she talks about the role of faith and prayer in her family's life every year. Videos are below:
