1. If the Secretary thinks they should – then yes.
 2. Yes - for the new president. Please email me their full name and affiliations.
- Thanks, KV

Subject: New prospect company

Good morning Katherine and Haley –

CRDA will be bringing a new prospect company to the Heritage. There will be 2-3 company reps accompanied by Becky Ford. Before circling back with Becky, I wanted to see where we can plug them in at this point. Is it appropriate to extend an invitation to the FGI and PSR?

Also, one of the new Palmetto Partners has informed me that their President will be at Heritage. The invitation went to their Business Development Manager, but the President is also potentially interested in attending the PSR. Can we accommodate that – as an exception. I'm emailing the others to remind them that the invitation is non-transferable.

Thanks –
Alex
