Subject: SharePoint Consulting

Hi Doug,

I know that your company uses SharePoint and my company specializes in all areas of SharePoint and we offer a wealth of support options. Please let me know if you have any short term gaps to fulfill or long term projects coming up where you could use any type of SharePoint assistance.

Our expertise and skill set consist of (but not limited to):

SharePoint 2013/2010/2007/2003, SharePoint Designer Workflows, SharePoint Visual Studio Workflows, Office365, Nintex, K2, Business Intelligence(Power pivot, Performance Point, SSRS), SharePoint Server 2010, SharePoint Foundation, MOSS 2007, WSS 3.0., SQL Report Server, SPS 2003, WSS 2.0., ISA 2006, Excel Services, InfoPath 2010,2007 & 2003, Microsoft Office 2013, 2010, 2007 & 2003 Suite, BPOS, Office 2010 Content Management, SharePoint ECM, MCMS 2002 Dot Net Technologies, .NET, Visual studio.net, ADO.net, ODBC.net, VB.net, ASP.net, C#, ASP Validation controls, User controls, Web forms, Windows forms, SOAP, ASP3.0, ADO, COM/COM+, JSP, Servlets.

Thanks - I look forward to your response.
