Subject: RE: Agencies

Good morning,

With the 2014 legislative session rapidly approaching, I know each of you have a number of issues you would like addressed either through the budget or permanent legislation. Prior to seeking sponsors or approaching Legislative Counsel, we ask that all agencies submit their legislative agendas to the Governor's Office for review and approval. This applies to your current agenda items, those that come up over the course of the coming year, and inquiries about legislation or proposed changes to existing law for which your agency will prepare a response.

If your agenda package is complete, please send it to me electronically as soon as possible but no later than December 15th. For those issues that arise during the course of the year, remember to send draft language and/or a summary of the initiative to our office **before** submitting to a legislative member, counsel, or NGO. We will review and get back to you as soon as possible. As always, do not hesitate to contact me with any questions or concerns about this year's initiatives or legislation; I am looking forward to a smooth and productive session.

Thank you,

Katherine

Note: do you want to remind them that they're supposed to be sending us their regulations as well?

Subject: Agencies

Can you email me the message you want me to send to the agencies regarding prefilling bills?
Thanks, KV
