Christian, I hope you are well.

In the event you have not heard, South Carolina has been selected to host the National Association of State Technology Directors (NASTD) Annual Conference and Trade Show this year in Charleston on August 25th-29th. For your convenience, I have included the agenda (below) but the conference will begin first thing Monday, August 26th and wrap up at noon on the 29th. I expect that most states will be represented, and that we will have over 300 attendees, including major corporate sponsors. The theme of the conference will be "Climbing into the Clouds – Transforming Technology Services for Tomorrow". Traditionally the host state will open the conference with a "Welcome" which will be at 8:30 – 9:00 a.m. on August 26th. It would be a tremendous honor for the group for Governor Haley to provide a brief welcome and give her vision of technology initiatives for South Carolina. The time slot can be flexible to fit with her travel arrangements should she be available to speak.

36th Annual Conference & Technology Showcase
August 25 - 29, 2013
Charleston, South Carolina
Charleston Marriott

<http://www.nastd.org>

AGENDA for the Conference --- <http://www.nastd.org/Meetings/2013AnnualConference/Agenda>

At your convenience, could you let me know if Governor Haley is available and has any interest in speaking to this group.

Thank you,

Jimmy
