Good Afternoon Darryl,

Ms. Hazel Scott has contacted our office again. She is now insisting on a meeting with the Lieutenant Governor to discuss her issue. I have tried to explain that I would be happy to hear the details of her issue and attempt to assist her, and that any assistance the Lieutenant Governor might provide would come through me. She still insists on meeting with the Lieutenant Governor.

In discussion with Danny, we thought that maybe a call from you might convince her to fully explain what she needs help with, without meeting with the Lieutenant Governor.

We have previously interacted with Ms. Scott, as you can see from the conversation below.

I am copying Jalawnda, so that she knows you may need some history on Ms. Scott.

Good Evening Catherine,

Ms. Scott just returned my call, I advised her we do not have any Rental Assistance at this time to assist in a placement. She stated she didn't ask that, not sure what type of assistance she's needing. She got off the phone abruptly and stated she will call you back. Her housing issue is a long standing one that started in 2013 we have thorough notes on her.. We have assisted Ms. Scott previously, I'm not sure of her request at this time.

Good Afternoon Jalawnda,

I've just had a call from Ms. Hazel Scott. Ms. Scott was sent to our office by Pam at Housing because she has been on the list to find permanent housing since 2013. Ms. Scott has received rental assistance from our office in the past. She has apparently been displaced from her home because of an environmental issue and DHEC was involved with that. Currently she is in Barnwell County because of her lack of housing options but would like to come back to Richland county because all of her Doctors are here.

Would you please steer Ms. Scott in the right direction as you did with Mr. Hardy. Thank you.
