Hi - I've been unable to get Cheraw State Park on the phone. We're leaving today from NW Florida, expecting a large group to arrive there next Tuesday. Do you know of any issues there re: power outages, phones, etc. thanks  
850-384-3345  
Margaret

I have not heard of ANY issues at Cheraw State Park. I will check with them and have them contact you. I will also message you back here. Thanks!

Thanks ! That is encouraging. If you haven't gotten in touch, pls have them call Ad Platt  
850-982-8480  
If 1st # is called, that is fine !

I'm hearing from the park that their phone was knocked out in the storm. They will call you on Monday.
