Anytime Monday is great. I'll see you 10 to 11 unless something comes up on your end.

Les,

Do you have time for us to come by Monday morning, maybe 10 or 11, so we can hand over some paperwork and talk about where we are at this point? We expect to be balanced in the GF today, and we have an afternoon meeting with the Gov to get a general blessing of the framework, knowing that we're still going to shift a couple things around. Thanks.
