Quote from Haley press secretary Chaney Adams, "Governor Haley has been clear: South Carolina will not become a permanent dumping ground for nuclear waste."

Hi, Chaney. Hope all is well.

I'm out of the office today but looking to cover this. Basically, an anti nuclear group will be collecting signatures to send Gov. Haley a petition opposing more nuclear materials coming to SRS. Just looking for a comment on this effort from you guys. Thanks!

posted on SRS Watch website & FB page - FYI:

October 28, 2016 - SRS Watch to table at Bonnie Riatt concert tonight in N. Charleston, South Carolina.

If you're attending the concert please stop by to say hi and sign a letter to Governor Nikk Haley against dumping more nuclear waste at SRS.

Thanks to the Guacamole Fund (<http://www.guacfund.org/>) and to Bonnie Raitt for this tabling opportunity and for their support!
