Hi Tony,

We invite you to join us for our upcoming **Diabetes Cost and Care Management Strategies for Health Plans**, taking place **September 22-23, 2016 in Chicago, IL**. Our comprehensive program of case studies and presentations by industry leaders will give you the means to keep your plan successful in tackling even the thorniest issues in diabetes management. Attend this event to move your plan to a more advantageous position in the fight against diabetes!

Top 5 Reasons to Attend

- Learn how diabetes prevention programs for pre-diabetics can maximize cost containment for your plan
- Get real-world advice on improving long-term outcomes by providing rigorous support for members newly diagnosed with diabetes
- Hear case studies that illustrate proven techniques for successful diabetes care, such as peer coaching and integrating case management
- Discover the role of member health literacy in driving adherence to treatment plans
- Gain an understanding of the screening tools and techniques to assess for mental health and behavioral challenges in diabetes self-management

Continuing Education

This program has been pre-approved by The Commission for Case Manager Certification to provide continuing education credit to CCM® board certified case managers. The course is approved for up to 11.25 CE contact hour(s).
