

GOD, Who gave all mankind the **TEN COMMANDMENTS**, **Who** gave all mankind **HIS** only begotten **Son, JESUS CHRIST**, for each's sin, **Who** gave all mankind **HIS HOLY SPIRIT & HIS written Word**, the **HOLY BIBLE**, so all mankind could learn right from wrong, and, **Who** blessed America, **said**,

"I want to see a mighty flood of justice---a torrent of doing good". AMOS 5: 24 (LB)

HIS Word also tells us:

Righteousness (*good behavior*) **makes a Nation great; Sin** (*bad behavior*) **is a disgrace to any Nation.** (*emphasis added*) **PROVERBS 14: 34 (GNB)**

Please Note:

Judgement is GOD'S business. Responsibility is mankind's business. Would any person of sound mind (government and private sector alike) want it any other way?, "on their Judgement Day!

May the following brief, help all understand why this letter, and enclosure, plus, is being shared.

Being born in the 1930s, and living joyfully in the 1940s, 1950s, 1960s, and witnessing America make a wrong turn in the 1970s. In 1980, a compelling journey began, to learn why America was savoring Lawlessness. And then, in 1990, an accident, which physically restricted my life, turned out to be a blessing. It's nerve damage in my spine, and the doctors still have no way to correct it. Thank GOD for the VA, my medical provider, they are the best. And so, said study beginning in 1980, to learn why America savored Lawlessness, now became a full time commitment, for even in bed (which is required off and on throughout the day) study & writing can be done. So, yes, in 2001, finally, the truth was learned, that America's problem, is its own deception & ignorance of America's Constitution, for persons in America (government and or private sector) that know the truth, that America's Constitution is the Law America agreed to live by, would never knowingly break or violate America's Constitution. So, since 2001, the truth about America's Constitution, had been and will continue to keep being shared with government Officials, & the private sector, until our FATHER GOD calls me home, or until the schools and Universities in each State, start to teach all the truths about America's Constitution to all their students, and also all government Officials in America, start to defend and uphold (obey and respect) America's Constitution, the Supreme Law of the Land, on its terms, as each Official had given their word to do, before they could actually ever become a government Official in America (City, County, Federal, and State).

In closing, it took 20 plus years of endless study, to learn the truth about America's Constitution. And the reason it took so long, is because the truth about America's Constitution (the Supreme Law of the Land, how America agreed to live) had never ever been taught in any of America's schools and Universities. And, since this person had only been sharing the truth about America's Constitution, for fifteen years. Prayerfully, America will get it within the next five years. Then, the civil and responsible correction all in America seek and want, will begin to flood America. Obeying the Law, on the Law's terms, has that power. So let's obey the Law, on the Law's terms, this is how our Nation, **America**, agreed to live, **therefore**, it is every American's responsibility.

Again, and again, thank you all.

Sincerely yours,

An Open Letter to the Governor, of each State in America

In the spirit of obedience and respect of America's Constitution, the Supreme Law of the Land, which all in America agreed to live by, "may this letter, enclosure, and request, be welcomed?"

Because there are so many responsible persons in America (City, County, Federal, & State), were the enclosed to be copied & given to each Legislator in your State, a light of **good behavior Law abiding living**, how America agreed to live, **will come on**, and none will be able to turn it off.

In closing, when any government Official in America (City, County, Federal, or State), chooses to freely break / violate their **oath (their word)** to defend & uphold America's Constitution, the Supreme Law of the Land, by going along with any other government Official (including judges) that had chosen to freely break / violate their **oath (their word)** to defend and uphold America's Constitution, the Supreme Law of the land. Then, said vain Lawbreaker government persons will be able, together, to induce one responsible Law abiding Governor after another, to also be their accomplices, to be disobedient & disrespectful of America's Constitution, the Supreme Law of the Land. And then, Lawlessness in America will just be compounded and compounded, and compounded, until corruption & sexual impurity overtakes (destroys) America. Thank GOD, that each State's Governor has the authority & responsibility to put the brakes on all the Lawlessness (corruption & sexual impurity) in their State, just by obeying & respecting their **oath**, to defend & uphold the Law (America's Constitution), on its terms, in place of surrendering their **oath** to illegal Judicial & Government decisions (decisions that violate America's **good behavior Law**). Also, a four page writing titled **Government Oaths & Responsibilities**, dated February 2015, by yours truly, will be freely & joyfully mailed, upon request. Such a blessed Nation is our America. May all remember, a **Book of Remembrance** was written before **GOD. MALACHI 3:16 (KJV)**.

Again, and again, thank you all.

Sincerely yours,

February 2015
