**Susan Keenan** My mother was "in charge" of keeping the entrance to the park (which was just past Spring Valley) and we loved going there with her - planting and weeding flower beds and THEN going in to the park. A Great Lake there back then. FIFTY years ago! Oh my! Keenan Grayson Harn your girls might love this. I will take them there one day!

**James Davis** My type of hike. I can sit on the couch and eat Doritos while I watch. Oh, and drink a few beers. I hope the weather cooperates.

**Bhumi Gupta** I was wondering if taking my kids for a hike in the nature over the weekend - will it be a healthier option or would it be hitting the nature in any form
