Subject: Common Core - Amendments

Haley,

You may have already received these or may not even need them but wanted to send them over regardless.

The first attachment is Senator Larry Martin's data privacy amendment. It was not taken up by the Committee, but, instead, was advised to offer it on the floor. This language is based upon Alabama's Data Privacy and Governance Policy.

The second attachment is the most recent amendment adopted by the Full Education Committee. It incorporates changes requested by the Department of Education and EOC.

Sorry if you don't need these but I realized that I failed to follow up with anything after my first email!

Best,

Anne Wallice
