Subject: DCA General Fund Increase

Hi Josh and Christian,

Hope you both are doing well. Just wanted to make you aware of an increase to our recurring general fund appropriations in H4701/R304. As I mentioned in our meeting last Fall, we have been in discussions with DSIT/DTO for about 2 years to have them administer DCA's computers and servers*. We were unable to secure a quote for these services until March. The additional funds are:

\$81,745 added to I. Administration, Other Operating Expenses (page 215 of ratified bill)

**includes website hosting, firewall, anti-virus software, computer management/ administration (ie: software updates, printing, email services), data/server hosting, etc.*

Please let me know if you have any questions or if further information is desired~

Thanks,
Carri
