Dear Governor Nikki Haley

On Friday March 27, 2014 we are kicking off the National United Youth Convention (NUYC) Campaign. This is not an official letter to announce the campaign. We want this event to reach our young community leaders and our young American people.

The campaign will reach and inspire millions of youth from all over the country, who are fighting for 'A New America, Led by a New Generation'. This Campaign and the National Day of Reconciliation is supported by Ireland's President Michael D. Higgins, Brenda Stevenson Mayor of the city of Derry, Noble Peace Prize Laureate Winner John Hume, Ireland Civil Rights Leader Ivan Cooper, and Ireland Civil Rights Leader and actor Vincent Coyle.

We are asking for your attendance, and your support of the America youth.
